An Italian tradition of passion for quality.

It was 1954 when the Sartor family undertook the cultivation and conservation of mushrooms. Thus began a path of growth, technological innovation, research of new products in line with the evolution of consumer needs. With the range of products Cucina Sartor, the specialties of Italian cuisine, Surmont responds with an original and tasty touch to the evolving consumer requirements.

Soups, risottos, main dishes, side dishes, vegetables and fruits: a continuously evolving range.

A complete choice of Italian cuisine, enhanced by innovative and trendy dishes, to meet with an original and tasty touch the ever changing consumer demands.
